## RESIDENT FEATURE

## DELORES WAITS MORELAND

"Ms. Dee," as she is lovingly referred to, has been a Resident at Somerby Peachtree City since October 1, 2014. She grew up in the Adamsville section of Atlanta as the youngest of three children with two older brothers who visit her regularly. She has two daughters who live in the north Atlanta area. Dee is married to Victor Moreland who is her daily companion. She is a charter member of Legacy Christian Church in Senoia, Georgia. She loves sports and music, especially hymns. She played basketball and softball in high school and after high school played with the Atlanta Tomboys. She scored 36 points once in a high school tournament game, a GHSAA record that held up for over 40 years. Ms. Dee went to work right out of high school with a bank and worked for 44 years at the same job in the Trust Department until she retired January 1, 1999, from what is now Wells Fargo Bank. Ms. Dee also volunteered at Southwest Christian Care Hospice for 30 years in Patient and Respite Care. Ms. Dee is a joy and delight to have at Somerby.

We have exciting news! Our company has rolled out a new logo that embodies the vision and values of Somerby Senior Living. It is contemporary and fresh. The blue Somerby SPARK is evocative of the connections we make here at our community.

You may have also noticed our Associates wearing new name tags. The tags do not have titles on them. This is intentional as our company vision speaks to personal responsibility, taking ownership, using critical thinking skills and operating in an environment that fosters joint accountability. We believe it doesn't matter what the title is; the key role each Associate plays is to not only satisfy Residents and Families but also to surprise and delight them!

As you remember from a few months back, we changed the word "aging" in our Mission Statement, to "living." Hence our Mission Statement reads

**TO INSPIRE AND NURTURE SUCCESSFUL LIVING  
EACH AND EVERY DAY.**

We will be transitioning into the new logo throughout the next few months, so keep an eye out for new uniforms and a new look altogether.

Thank you for being our inspiration every day and giving us the opportunity to serve you!

Best regards,

Leslie Chapman  
Executive Director
